

7th Duchess of Bedford 1840
Creator of Afternoon Tea

The tradition of afternoon tea is said to have been started by Duchess Anna Maria in the 1840s. She felt that it was a long time between lunch & dinner and that taking tea, delicate sandwiches, cakes and biscuits at 5 o'clock helped to bridge the gap...

George Cadbury 1867
Creator of Drinking Chocolate

We are proud that direct descendants of both the 7th Duchess of Bedford and George Cadbury are involved in this business, which aspires to bring you the very best English Afternoon Tea.
