

## WINE LIST

### NOVEMBER 2021

We change our list every month, buying only a couple of cases of each wine at a time – meaning we're always excited about what's in the cellar, and there's always something new to discover on the list. We're led by style, rather than namechecking grape varieties, so if you're looking for something in particular then let us know. Happy sipping...

#### BEFORE

<b>The Bel 75</b>	<b>£12</b>
